

GENERAL DATA PROTECTION REGULATIONS: We are very protective of your personal data. We never give personal information to third parties unless we have your permission to do so. We never sell or rent client's details as part of a mailing list. Data we hold about you will be retained securely. You may be getting, or have received in the past, our fortnightly Moores E-Newsletter which contains property related matters which may affect the sale or rental value of your property. You should continue to receive this in the usual way, unless you have already 'unsubscribed'. For more information regarding our Privacy Policy and details we hold about you, please refer to the Privacy Statement on our website at <https://www.moorehomesinleeds.co.uk/privacy-policy/>.

So that we are able to provide you with the service you expect it will be necessary for us to add your personal contact details to our property repair website app. This will allow you to report defects and repairs 24 hours a day and ensure an appropriate contractor is allocated to deal with the issue. To proceed with the repair the allocated contractor will be given your name and contact phone number and email address.

If Moores do not manage the property you are applying to rent then the owner/landlord will deal with the collection of rent, repairs, etc. once we have set up your tenancy. It will be necessary for us to pass your personal contact details to the owner/landlord. The owner/landlord will in turn require your consent to pass your contact details on to contractors who may be asked to undertake repairs or maintenance during your tenancy.

I agree to have my personal details passed on to the owner/landlord of the property I am applying to rent through Moores Estate Agents and understand and agree for the owner/landlord to pass my details on to their contractors as and when required. If Moores manage the property I agree to have my personal details added to Moores property repair website app and understand my contact details will be passed on to allocated contractors.
